

## **REMARKS**

### **INTRODUCTION**

In accordance with the foregoing, the specification and claims 1, 2, 4, 8, 9 and 11 have been amended. Claims 3 and 10 have been cancelled. Claims 1, 2, 4-9 and 11-14 are pending and under consideration.

### **OBJECTION TO THE DRAWINGS**

The drawings were objected to because S306 and S312 were shown in Figure 7 but not listed in the specification. The specification has been amended at paragraphs [0050] and [0054] to overcome this objection.

### **OBJECTION TO THE SPECIFICATION**

The specification was objected to because of various informalities. Appropriate correction has been made to paragraph [0054] of the specification in accordance with the Examiner's suggestions.

### **CLAIM REJECTIONS**

Claims 1, 2, 8 and 9 were rejected under 35 U.S.C. 102(e) as being anticipated by Shin et al. (US 6,630,961).

#### **Claims 1 and 2**

Claim 1 has been amended to include the allowable subject matter of claim 3 and is therefore believed to be allowable. Amended claim 2 depends on claim 1 and is therefore believed to be allowable for the foregoing reason.

#### **Claims 8 and 9**

Claim 8 has been amended to include the allowable subject matter of claim 10 and is therefore believed to be allowable. Amended claim 9 depends on claim 8 and is therefore believed to be allowable for the foregoing reason.

### **ALLOWABLE SUBJECT MATTER**

The Applicant acknowledges with appreciation that claims 3-7 and 10-14 have been found to contain allowable subject matter. Claims 3 and 10 have been cancelled. Claims 4 and 11 have been rewritten in independent form. It is respectfully submitted that claims 5-7 and 12-14 are allowable in their present form.

**CONCLUSION**

There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
